HOLIDAY HW – CLASS - I

FUN ACTIVITIES BASED ON MORAL VALUES

“Keep your child’s brain active over break without them knowing they’re doing homework”!!

Dear Parents and students,

With lamps driving away the darkness of the new moon light , fireworks lighting up the sky and people exchanging sweets and greetings, DIWALI is a festival like no other. It is anticipated and planned for and enjoyed more than any other festival in a culture that has several celebratory occasions.

Parents are advised to guide, motivate and facilitate their children to complete their own holiday’s homework. Children are instructed to do their homeworks themselves in their own handwriting in addition to activities , project, written and learning work. We are planning to transform you into a versatile personality. Here is a “ Fun Activity Treasure Box “ just for you. So get ready for your treasure hunt, along with your parents.
